

How Books Are Made

Show me a story

Learn what you need to create your own picture book. This book shares simple tips and tools to help you write and illustrate a story.

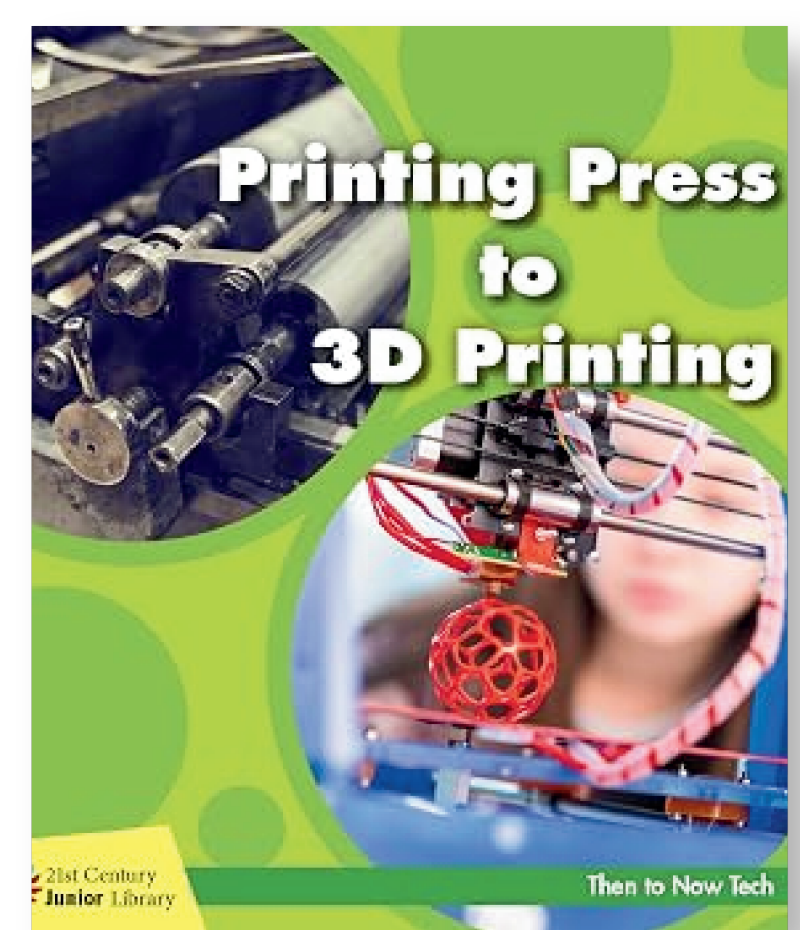

E B

You Wouldn't Want to Live Without Writing!

What would life be like without writing? Discover how people communicated before writing and why reading and writing became so important in everyday life.

409-1

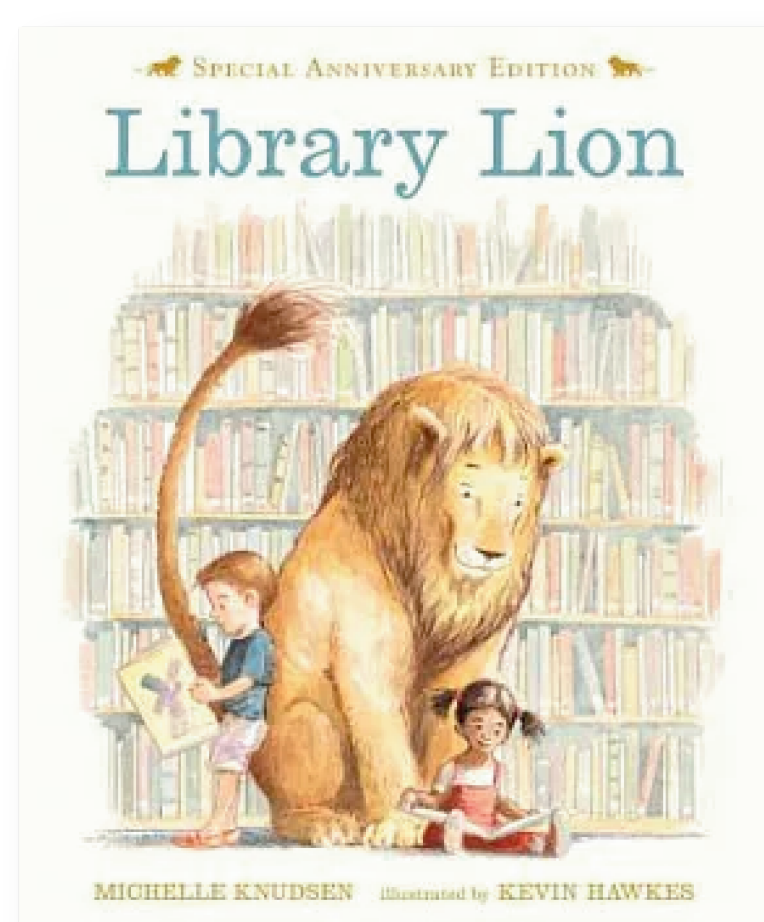

Printing Press to 3D Printing

Discover how printing technology began and changed over time, from the printing press to today's 3D printing. Explore how new technology continues to develop.

490-2

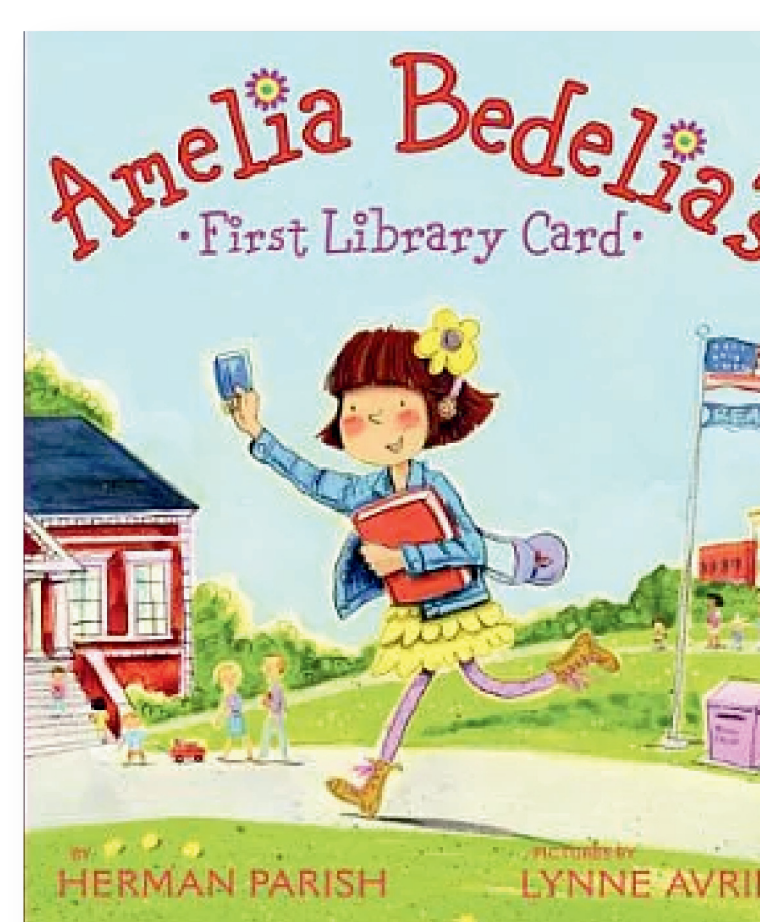

Explore the Library

Library Lion

A lion walks into the library, where everyone wonders what rules should apply to him. He soon becomes a helpful library visitor and even comes to the rescue when trouble happens.

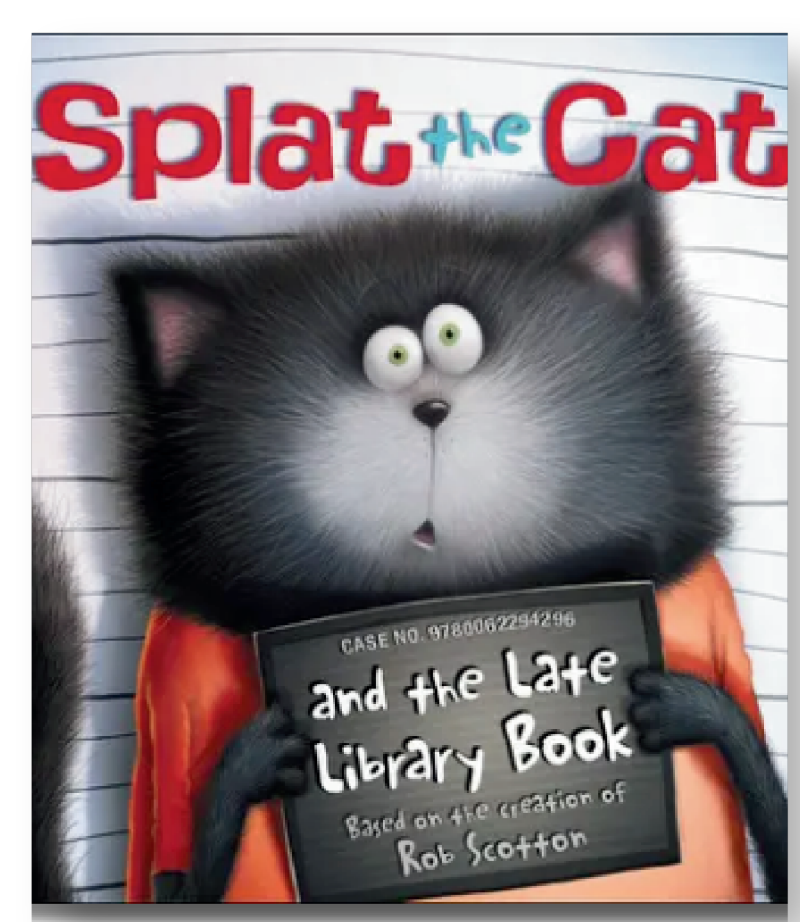

E L

Amelia Bedelia's First Library Card

Young Amelia Bedelia visits the library with her class, explores the shelves, meets librarians, and helps at the front desk. Her favorite part is getting her very own library card.

E AME

Splat the Cat and the Late Library Book

Splat discovers that his library book is overdue and worries he will be in big trouble. He tries to avoid the library, but ends up finding a happy surprise.
