主題活動

Thematic Activities

永續發展目標的核心精神「Leave no one behind」，主題展聚焦友善包容與消除歧視等相關國際議題。希望讓學生了解不同族群在生活中面臨的障礙，並思考如何透過態度和實踐的改變來創造更包容的環境，為全球永續盡一份心力。

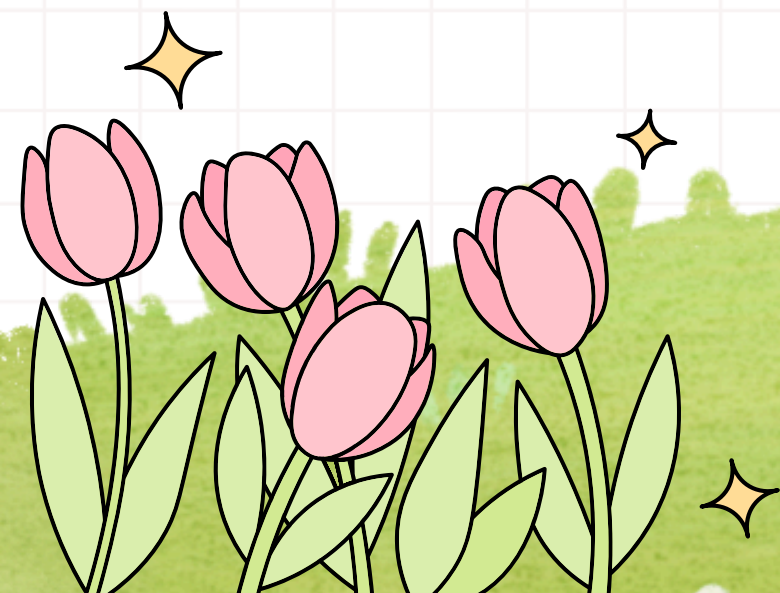

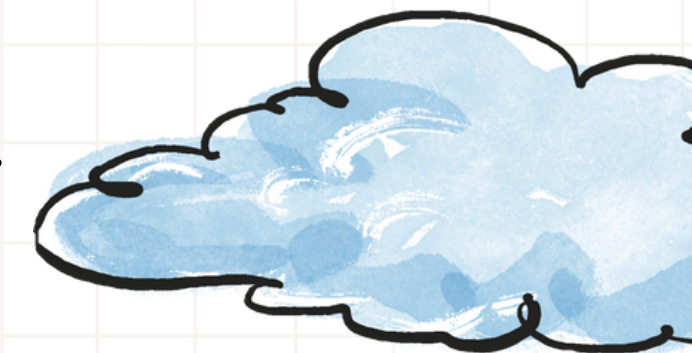

At the heart of the Sustainable Development Goals lies the principle of 'Leave no one behind'. The themed exhibition focusing on issues such as inclusivity, friendliness, and eliminating discrimination. Through this event, students are encouraged to understand the challenges faced by different communities in daily life and reflect on how changes in attitude and actions can help create a more inclusive environment.

互動參與

Interactive Participation

學生們積極參與主題活動，翻閱書展與互動裝置。
The students actively participated in the themed activity, browsing the book exhibition and engaging with the interactive installations.

心得回饋

Student's Feedback

我認為許多的偏見和負面情緒都是源自於不理解，只要能夠認識是身心障礙者並讓身心障礙的印象成為身邊的某一個人，人們對身心障礙的態度也會跟著改變，由一個概念變成心中的某個人，會增加一個人願意理解更多的意願。

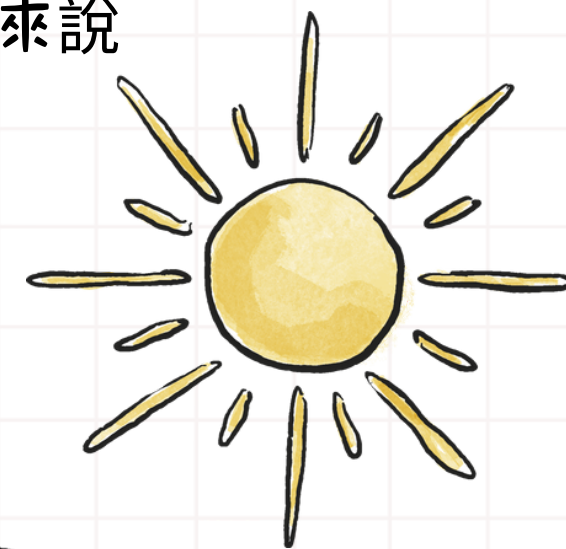

我認為社會普遍對於身心障礙的印象還是偏向負面，也許在許多片面的社會新聞影響下以及不足夠的理解，人們對身心障礙者保持負面態度者較多。

The employment rates of people with disabilities are lower because of factors like limited access to job opportunities, physical or environmental barriers, and employer bias. Additionally, there may be misconceptions about the abilities of individuals with disabilities, leading to fewer opportunities for them to work.

身體狀況不影響我對他能力的看法。每個人都有不同的優勢與技能，身心障礙者通常具備特殊的解決問題能力與堅韌的精神。面試時，我會專注於他過去的經驗、專業技能以及如何在工作中發揮自己的長處，而不是依賴外在的身體狀況來判斷其能力。

我覺得身心障礙者並不特別，是周遭的環境讓他們變特別。

台灣隨處可見的便利商店，對許多身心障礙人士來說十分不方便。因為通道狹小有紙箱堆疊、且有些架子過高，不方便身心障礙人士拿取。

主題活動

Thematic Activities

結合校內探究與實作課程(手搖飲開店企劃)，透過各行各業創業成功案例，希望讓學生了解創業者的想法與決策過程，反思自己具有什麼樣的能力面對創業路上的挑戰與困難，鼓勵學生對創業進行自主學習，讓自己的興趣，築夢踏實成為屬於自己事業。

This event is designed in conjunction with the school's inquiry and practical course, and introduces students to successful entrepreneurial cases across various industries. It helps students understand the mindset and decision-making processes of entrepreneurs, reflect on their own abilities to face the challenges of entrepreneurship, and encourages self-directed learning about starting a business. Turning their passions into a concrete and meaningful career of their own.

Student's Feedback

我想創立水壺品牌。主打可以拿來裝手搖飲，當環保杯，減少一次性塑膠、紙杯的使用。材料選擇用玻璃製作，只要細心保護，玻璃不易殘留異味的特質，會讓不想要水壺有異味的人更有購買意願，汰換下來的舊水壺也可以拿來當花瓶，一舉兩得。

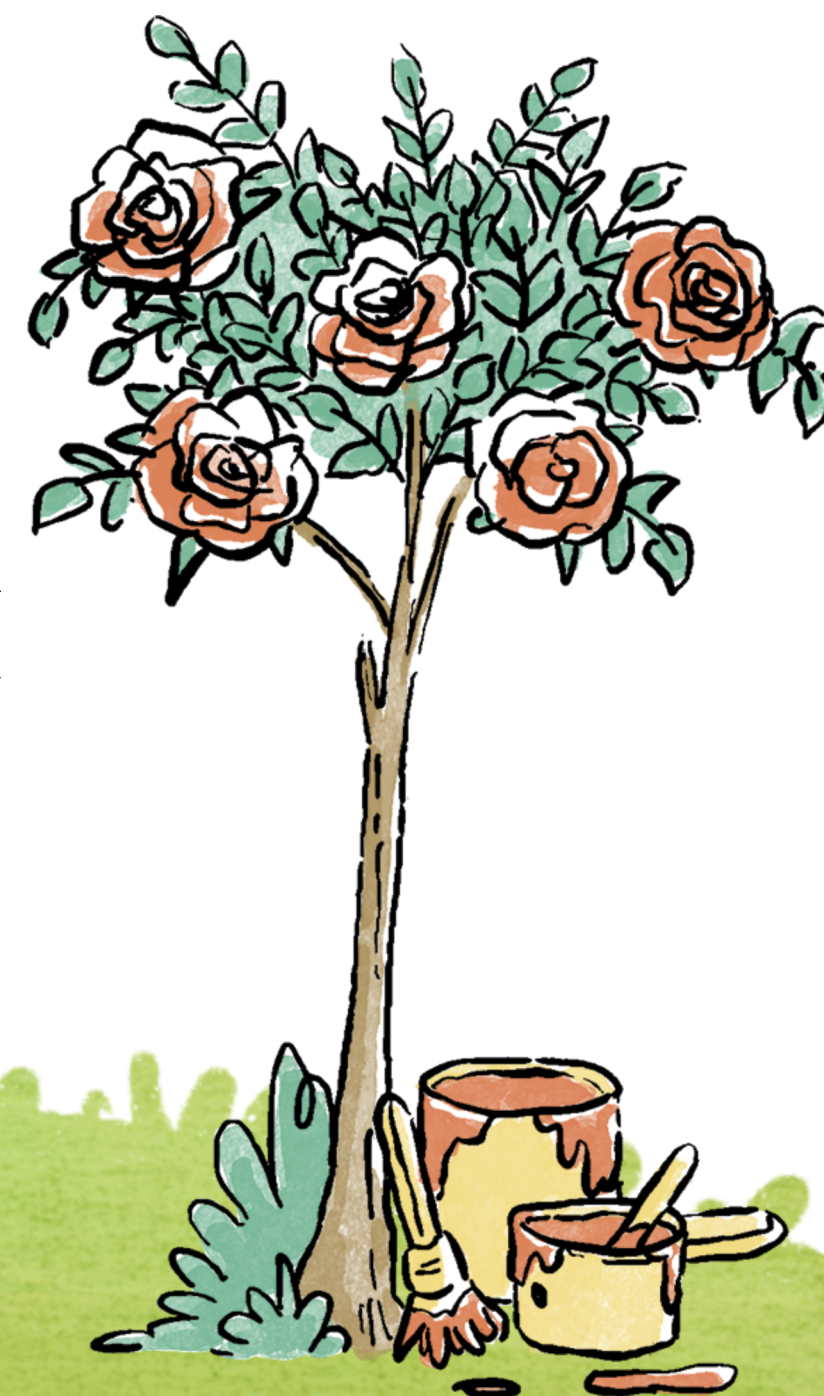

Patagonia reinforces its identity through minimalist, recyclable packaging, the slogan "We're in business to save our home planet," and storytelling-focused ads featuring real environmental activists and outdoor enthusiasts instead of celebrities.

讓我印象深刻的品牌是7-11，因為LOGO顏色搭配很顯眼。口號「Always Open, Seven Eleven」也是家餘戶曉，還有7-11曾推出過電影想讓更多人認識這個品牌。

我會想推出個人護理組或清潔劑這類的永續生活用品。還有也希望出現植物皮革飾品，例如特別的仙人掌皮革來做皮夾，感覺可以成為創新的潮流。設計上以簡約輕巧為主，上面可以印有環保標語加上有趣的插圖，吸引更多人關注。

我會做宣傳，例如拍廣告、發傳單等，讓大眾知道用一次性塑膠對地球的危害，和現在使用一次性塑膠需要多付錢，長年累積下來，花的錢不會比環保杯少，有的店家甚至用環保杯還會打折，積少成多，絕對會比用一次性塑膠好！

我印象深刻的品牌logo是APPLE，被咬一口的蘋果，呼應了品牌的名字。圖案簡潔，沒有多餘的線條或色彩，卻充滿了辨識度。

自主學習成果分享 -Coursera-

10A 劉芝廷

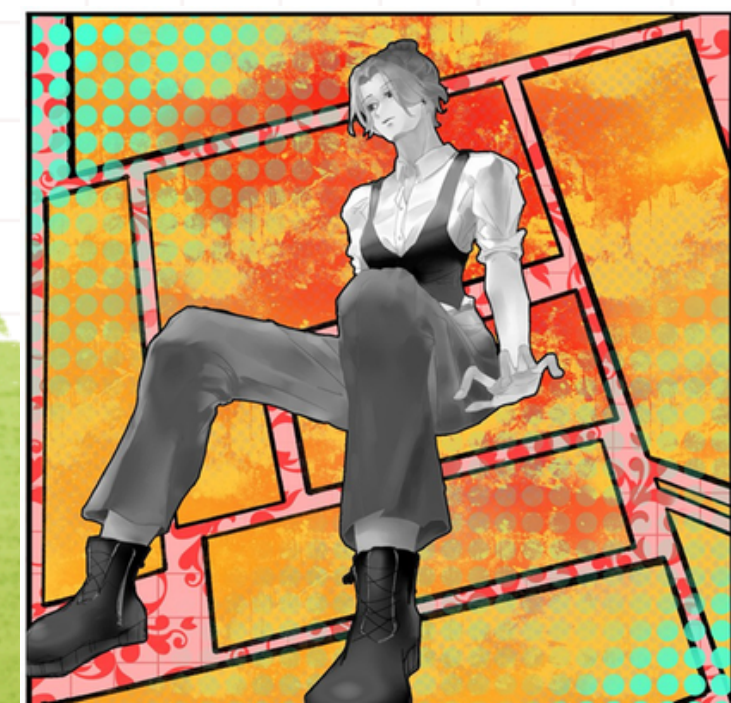

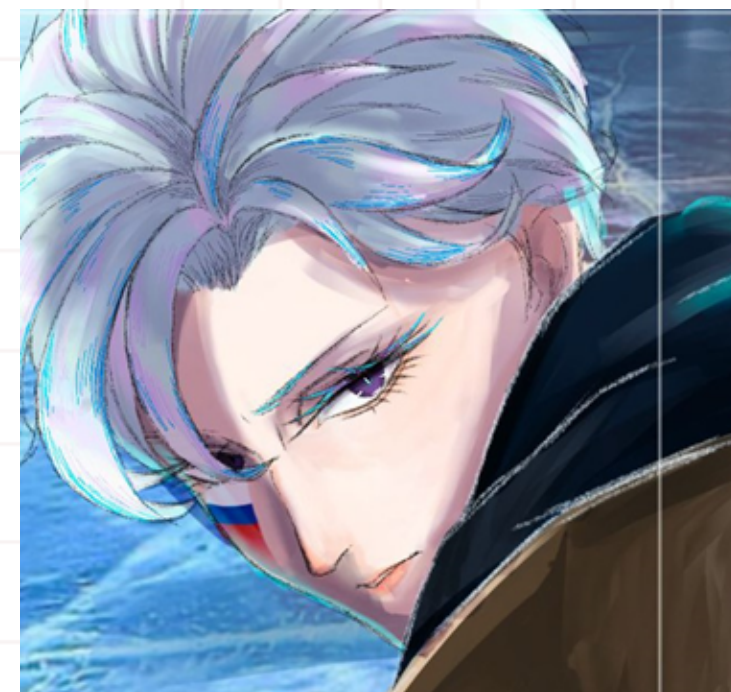

自主學習 Self-Directed Learning

G10、G11學生於H節進行自主學習，並於線上結業式分享自主學習。
Students engage in self-directed learning during H period and share their self-directed learning at closing ceremony.

MORE INFO

1.5 A Polynomial Functions and Complex Zeros

If $p(a) = 0$

- $a \Rightarrow$ zero / root of p
- $x - a$ is a linear factor of $p(x)$ if a is a real number

Multiplicity

- If $(x - a)$ repeated n times, the zero of the function has a multiplicity n .
- If multiplicity is even, graph will bounce back there
- If multiplicity is odd, graph will go through the x -axis

ex:

$$p(x) = (x+1)^2(x-3)^3(x+4)$$

Complex Zeros

- polynomial of degree n has n complex zeros

Nonreal Zeros

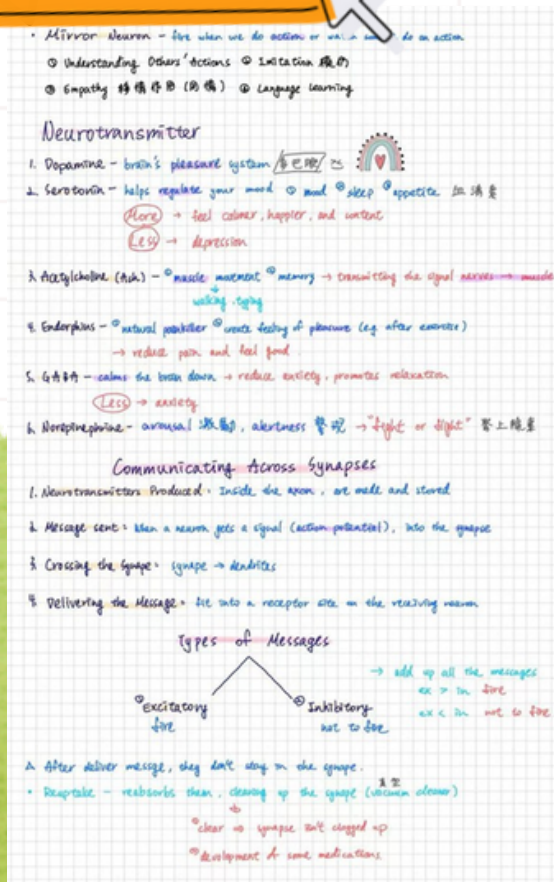

Conjugate pair $\begin{cases} a+bi \\ a-bi \end{cases}$

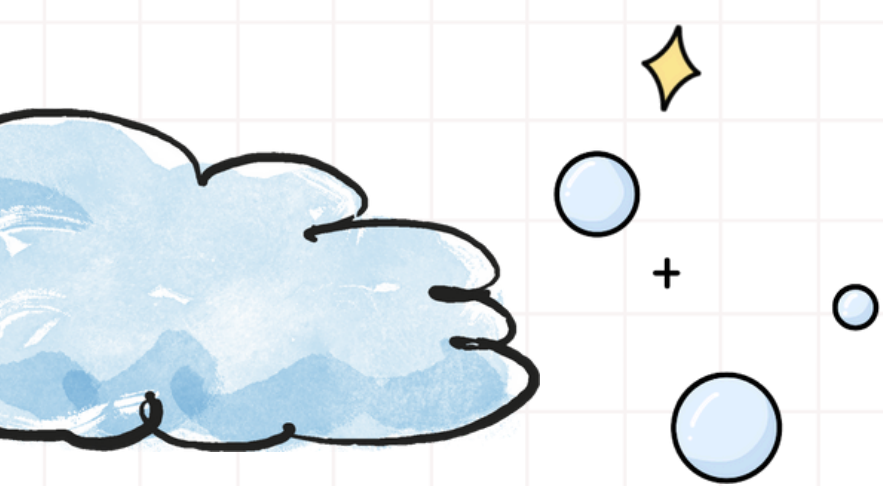

Finding the degree of a polynomial

$$\text{ex: } x^8 + 11x^7 + 41x^6 + 81x^5 + 81x^4 + 27x^3 + 27x^2 + 9x + 1$$

$$\text{degree } \odot 8 \quad \odot 7 \quad \odot 6 \quad \odot 5 \quad \odot 4 \quad \odot 3 \quad \odot 2 \quad \odot 1 \quad \odot 0$$

$$\text{degree } \odot 8 \quad \odot 7 \quad \odot 6 \quad \odot 5 \quad \odot 4 \quad \odot 3 \quad \odot 2 \quad \odot 1 \quad \odot 0$$

校園書展

Campus Book Fair

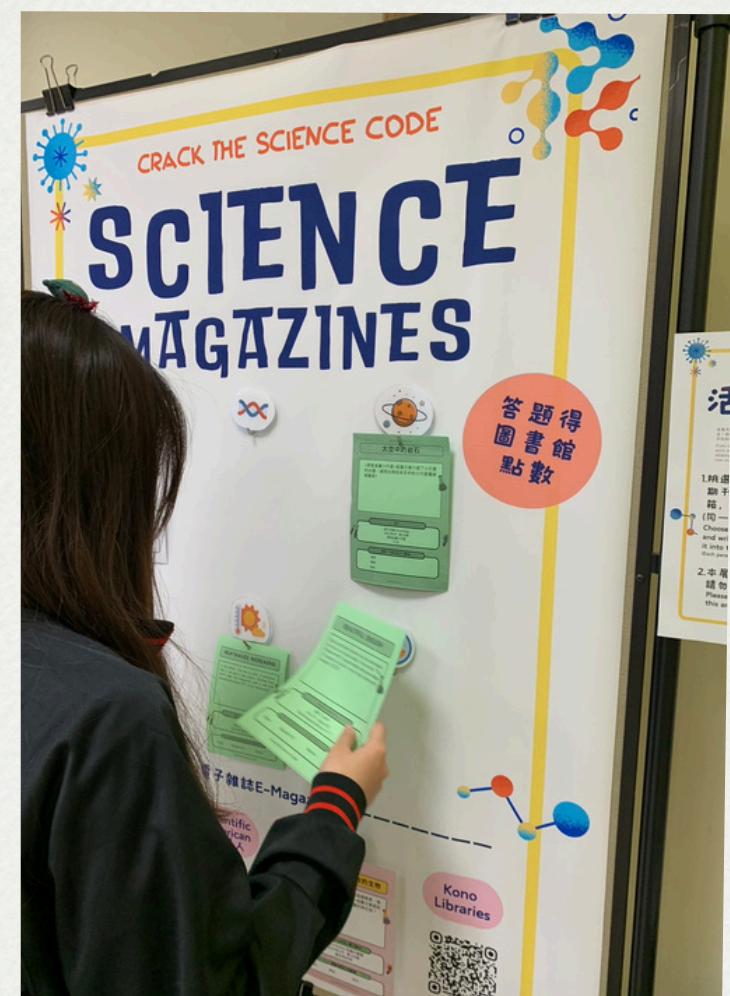

四月是充滿閱讀氛圍的月份，中外文校園書展伴師生們共享閱讀樂。

April full of reading atmosphere. There were Chinese and Foreign book fairs held on campus, allowing teachers and students to share the joy of reading together.

圖書宅配與行動書車
Book panda and book mobile

學習資源支援

Learning Resource Support

以科學為主題，結合紙本與電子雜誌推出資源推廣利用活動。
A science-themed promotional campaign that integrates both print and digital magazines to encourage Library resource utilization.
